HOKKAIDO WHITE CURRY

北海道ホワイトカレー

Relish a twist on the beloved Japanese curry. Taking inspiration from Hokkaido's snow-clad landscape in winter, the white curry gets its depth of flavour from the medley of cumin, cardamon, onion and garlic. The curry is then cooked with milk, which tempers the spiciness and adds a creamy consistency!

NOODLES

麺類

Al dente Japanese ramen is soured in a slurp-worthy broth, which comes in Paitan, Miso and Spicy Miso options. The broth's richness is owed to the many hours of slow simmering. Each bowl is topped with butter for a glossy and fragrant finish.
